## About This Game

**Launch Squad** is a multiplayer combat game for VR. Armed with a goo slingshot, you will fight for supremacy in the **Launch Squad** battle arena!

The game is **free** while in Early Access. Get the latest build and join the fight by clicking **Download Demo**.

## How to Play:

**Goo Slingshot** - Fire your weapon by grabbing a goo ball, pulling back, and releasing - similar to shooting a bow and arrow. Hit enemies on the head to win!

**Locomotion** - Teleportation by projectile. The projectiles are physically enabled, allowing you to bounce in to position.

**Shield** - A small shield is deployed from inactive slingshots. Use the shield to block incoming goo or swat away enemy teleport projectiles!
